

GRAND CANYON PRO RODEO ASSOCIATION SANCTION AGREEMENT

P.O. Box 1775, Buckeye, AZ 85326
(623) 249-9506

This agreement is made between the Grand Canyon Pro Rodeo Association (GCPRA) and Rodeo Committee (RC) of _____, where the rodeo is to be held. The following are the stipulations of the agreement:

GENERAL AGREEMENT

LOCAL CONTESTANT ENTRIES: The GCPRA agrees to allow nonmembers of the association living within an agreed upon radius of the town where the rodeo is sanctioned to participate as a "local" contestant. RC will submit a listing of the local entries with the names, addresses, and phone numbers of same to GCPRA office at minimum of 24 hours prior to GCPRA central entry. The GCPRA will allow 30% local entries per performance (i.e. 3 in an event where 10 are allowed). The RC will have the right to designate which 30% will be in performances. (If number submitted to GCPRA prior to central entry is less than designated 30%, GCPRA will fill said slots with GCPRA members during central entry.) The remainder of local entries will be placed after GCPRA member priority. A day sheet will be returned to the RC within 3 days after central entry whereupon local entries may contact RC to find out when they are competing.

NON-MEMBER ENTRIES: A \$25.00 one-rodeo permit fee (retained by GCPRA) may be purchased by nonmembers who are not "local" residents.

RODEO PERSONNEL: The judges and stock contractor must be approved by the GCPRA and must hold current working permits or stock contractor card issued by GCPRA. The GCPRA is not responsible for payment to these officials, the stock contractor or any volunteers supplied by the RC. GCPRA will provide and compensate the Rodeo Secretary and Association Secretary for their services. The GCPRA will provide an Association Secretary to calculate points, memberships, fines and other contingencies for GCPRA functions. The GCPRA will furnish a director, at no cost to the RC, during the rodeo for technical questions or problems regarding rules and other specifics. RC agrees to allow the contestant and one guest entrance to the rodeo at no charge.

FACILITIES: The arena, sorting pens, roping chutes, riding chutes and grounds are to be in good repair with maintenance people on the grounds to make repairs, if necessary. Roping chutes must be constructed so they can be completely closed off during the rough stock events. The arena ground itself must be worked effectively to provide all competitors equal and safe conditions.

RODEO EVENTS: The rodeo will offer a minimum of eight (8) standard events: Bareback, Saddle Bronc, Tie Down Roping, Team Roping, Breakaway Roping, Barrels, Steer Wrestling and Bulls. GCPRA also offers #12 Incentive Team Roping and a Incentive Tie Down Roping which events are integrated into the regular team roping and tie down roping. Any local or committee events or contracts must be agreed upon by the GCPRA, Stock Contractor and RC. RC and GCPRA agree that no more than 10-12 contestants will compete in each event during a performance, with the exception of bull riding which may have as many as 20 per performance. Any contestants above these numbers must be agreed upon in advance by RC, GCPRA and stock contractor.

INSURANCE: The RC is required to carry event liability insurance in the amount of \$1 million to cover the GCPRA, stock contractor and RC. Proof of insurance must be provided to the GCPRA P.O. Box 1775, Buckeye, AZ 85326 at least two weeks prior to the first performance of the rodeo.

AMBULANCE: An ambulance and/or equipped paramedics must be on the grounds before any rodeo activity begins. The ambulance and/or paramedics will remain on the grounds until all rodeo events are completed (including slack).

GCPRA reserves the exclusive right to co-sanction this rodeo with other rodeo associations. **GCPRA reserves the right to advertise for our Corporate Sponsors at lead sanction rodeos. This may include but not limited to the display of banners, flags and promotional items.** Made a part of this agreement is the attachment indicating specifics of the rodeo, added money, prizes and entry dates. Any additional agreements or instructions of the RC must be attached and made a part of this agreement. This agreement shall be in effect upon the authorized signature of an officer of the GCPRA and the Rodeo Chairman of the rodeo committee. All GCPRA rules will be adhered to for said rodeo. **Any charges to contestants in addition to entry fees must be approved by GCPRA in signed sanction agreement.**
